

# RLC BELIEFS

*Republican Liberty Caucus members adhere to the principles of The Liberty Compact, which we ask candidates seeking our endorsement to sign:*

*"I pledge to the citizens of this State, and to the American people, that as their elected representative I will work to: restore liberty, not restrict it; shrink government, not expand it; reduce taxes, not raise them; abolish programs, not create them; promote the freedom and independence of citizens, not the interference of government in their lives; and observe the limited, enumerated powers of our Constitution, not ignore them."*

ABOVE: RLC of Florida members visit Tallahassee for Lobby Days. RLC members nationwide lobby their representatives for the RLC's core principles.

BELOW: RLC members attend national and state conventions, participate in conferences and meet kindred Liberty Republicans from around the country.

The RLC fosters its members to be party leaders committed to working within their local Republican Party organizations to invigorate and revitalize the GOP at every level. RLC members defend and promote Liberty Principles as the backbone of a healthy GOP as well as a better government for the American people.

With candidates and elected officials at every level the RLC is a true force for liberty within the GOP.
